FOREWORD

The SMAE/ATMA Programme a Central Sponsored Scheme has initiated a very good perspective in the Agriculture Extension System. It has achieved success due to active participation of farmers and bottom up planning of the programme based on farmer's need & experiences. ATMA Model is based on Strategic Research and Extension Plan (SREP) i.e. involving farmers as partners in the programme planning and in its Execution. Technology transfer of improved and renowned farm technologies at a faster pace with need of concrete and teamwork efforts. ATMA, Gumla has facilitated farmer's acceptance towards the new innovations, cost effective approach in Agriculture sector through its Extension Work.

The Gumla district of Jharkhand has always been centrally focused on agricultural development to boost the farmer's economy through district/block level ATMA cells, skill up gradation of farmers and extension functionaries through training, exposure visit & motivation will help in bringing changes in the existing set up.

The present report highlights the activities of "ATMA", Gumla for the year 2019-20 with major emphasis during the years was :

- 1 Creating awareness among farmers through Farm Oriented Activities on agricultural extension management by the field functionaries and stakeholders.
- 2 Strengthening Research Extension linkages through farmer's participatory approaches.
- 3 Improving linkages between various agriculture related institutions/ organizations.

Sincere and dedicated efforts of Sri Mohit Singh, Deputy Project Director, ATMA, Gumla, Block Technology Manager & Asst. Technology Manager in all activities of ATMA is gratefully acknowledged.

(Dr. Ramesh Chandra Sinha)
DAO-cum- Project Director
ATMA, Gumla

Background Information

Prior to ATMA Model system prevailing in different districts of Jharkhand the area of technology dissemination was :

- The technology available at the state level was in operation at district level also.
- Training of farmers was not demand driven.
- Not much work on group activities.
- Not much research-extension linkages.
- Paucity of funds was a major problem.
- Practically not much awareness on the “Use of IT” in technology transfer.
- Not much concern on food and nutritional security.
- Training & visit system was not successful.
- Approach was crop based & not system based.
- No work on institution build up.
- Not much emphasis on capacity building & skill up gradation.
- Not much linkage with local institutions involved in technology transfer.

Above aspects or limitations still exist in the District. However, with the intervention of ATMA some improvements are visible.

Need to Reforms

Considering the acute rural poverty in the district and peoples dependence on agriculture for livelihood, the emerging need to bring about policy reforms was felt to make the system farmer friendly and farmer receptive. Some of the priority issues which were considered are :

- i. It is now recognized that public extension services (KVK and Govt. Department etc.) alone can not meet the specific needs of the region and different classes of farmers. Policy reforms to promote private extension services (FO, SHG, FIG, contact farmers, agriclincs & input providers etc.) to supplements the public extension service need to pursued.

- ii. Role of Mass media & IT, FIACs etc. is being increasingly appreciated.
- iii. Promotion of a farmer participatory approach for system discription, problem diagnosis, implementation, monitoring, evaluation & feedback will bring about improvement.
- iv. Promotion of demand driven and farmer accountable extension will be meaningful Marketing rather than production is a major constraint in enhancing farm income. Thus their should be increasing thrust on marketing extension.
- v. Inter disciplinary approach in solving farmers problems should be followed.
- vi. SREP prepared for district through PRA involving line departments, KVK to make it meaningful.
- vii. Field extension functionaries should work as farm advisors with B.Sc.Agri/B.V.Sc./B. Sc. in allied subject as the minimum basic qualification
- viii. “ATMA” concept should be propagated for multidisciplinary & location specific problems solving approach based on SREP.
- ix. Research-extension farmers linkages needs considerable strengthening. Linkage of “ATMA” with KVK (ICAR), SAU should be stronger.
- x. Women empowerment and skill up gradation of farmers should be priority issues.
- xi. At district level training institute such as ‘ATMA’ should be develop and strengthened for capacity building of extension functionaries/farmers

About ATMA

Agricultural Technology Management Agency (ATMA) is a registered society of key stake holders involved in agricultural activities for sustainable agricultural development in the district. It is a focal point for integrating research and extension activities and

decentralizing day-to-day management of agricultural education system. This is an autonomous institution with participation of all the key stakeholders involved in agricultural activities for sustainable agricultural development. It has the flexibility to receive funds directly (Government of India /States), Membership fees, beneficiaries contribution etc.)

ATMA has the main responsibility of all the technology dissemination activities at the district level. It has linkages with all the line departments, research organizations, non-governmental organizations and agencies associated with agricultural development in the district with a substantial representation of **farmer organizations. Research and extension units within the district, such as KVKs, ZRSs, Department of Agriculture, Horticulture, Animal Husbandry, Fisheries, Dairy, Panchayati Raj, Sericulture, and Marketing etc. are constituent members.**

ATMA is an autonomous institution set up at district level to ensure delivery of extension services to farmers. ATMA Governing Board is the apex body of ATMA which provides overall policy direction. ATMA GB will be assisted by the District ATMA Cell comprising PD ATMA, Dy. PDs and Staff in the discharge of its functions. ATMA Management Committee is the executive body looking after implementation of the scheme. District Farmers Advisory Committee is a body to provide farmer's feedback for district level planning and implementation. With dedicated staff provided for the ATMA, it will continue to be the district level nodal agency responsible for overall management of agriculture extension system within the district, including preparation of Strategic Research and Extension Plan (SREP).

At the Block level, two bodies viz. Block Technology Team (BTT) (a team comprising officers of agriculture and all line departments within the block) and Block Farmers Advisory Committee (BFAC) (a group exclusively consisting of farmers of the block) shall continue to function jointly (with the latter providing

farmers' feedback and input). BFACs shall represent Farmer Interest Groups (FIGs) / FOs existing within the block on rotation basis to advise the BTT. The Block ATMA Cell consisting of these two bodies, Block Technology Manager and Subject Matter Specialists will provide extension support within the Block, through preparation and execution of Block Action Plans (BAPs).

The Farmer Friend (FF) will serve as a vital link between extension system and farmers at village level (one for every two villages). The FF will be available in the village to advise on agriculture and allied activities. The FF will mobilize farmers' groups and facilitate dissemination of information to such groups, individual farmers and farm women directly through one to one interaction individually or in groups and also by accessing information / services on behalf of farmers as per need through Common Service Centres (CSC) / Kisan Call Centres (KCC). Wherever available under their respective Schemes, Agri-entrepreneurs will supplement the efforts of extension functionaries by making quality inputs available to the farmers and by providing them critical technical advice. Farm Schools will serve as a mechanism for farmer-farmer extension at 3 to 5 focal points in every Block.

Participatory Bodies :

The following participatory bodies shall be set up at various levels in the State.

State Level	:	Inter- Departmental Working Group (IDWG) SAMETI Executive Committee State Farmers Advisory Committee (SFAC)
District Level	:	ATMA Governing Board ATMA Management Committee District Farmers Advisory Committee (DFAC)
Block Level	:	Block Technology Team (BTT) Block Farmers Advisory

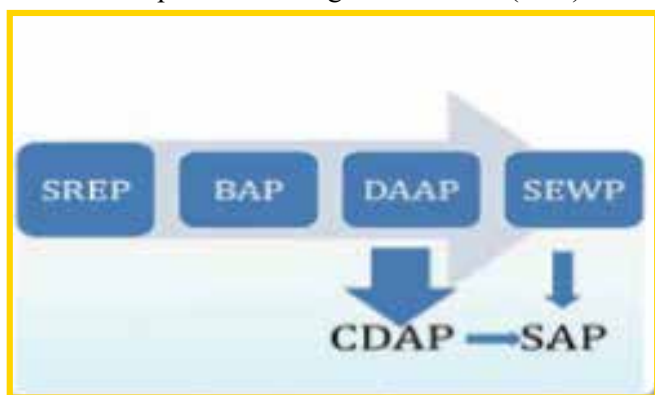

Process Flow for Action Plans:

SREP is a comprehensive document identifying research/ extension priorities for district, keeping in mind agro-ecological conditions and existing gaps in technology generation and dissemination in all agriculture and allied sector areas/ activities.

SREPs will be prepared for new districts in coordination with the line departments, Krishi

Vigyan Kendras (KVKs), Panchayati Raj Institutions (PRIs), Private Sector, farmers and other stake-holders at the district level.

- These SREPs shall be revisited after every five years to accommodate newly identified gaps and emerging areas of importance.
- SREPs will form the basis for formulation of Block Action Plans (BAPs) on an annual basis. Block Action Plans are then consolidated at the District level to prepare the District Agriculture Action Plans (DAAPs).
- District Plans are worked out in such a manner that these serve as subset of the Comprehensive
- District Agriculture Plans (CDAP) prepared for the District under (Rashtriya Krishi Vikas Yojana (RKVY).
- The DAAPs will be consolidated in the form of State Extension Work Plan (SEWP) which then forms a part of State Agriculture Plan (SAP).

Cafeteria of Activities

Besides the essential component of dedicated manpower, a Cafeteria of Activities has been prepared and placed at Annexure-II. The States may choose locally suitable activities from the Cafeteria. Keeping in view the availability of funds, the expenditure has to be optimized to support a limited percentage of activities out of the Cafeteria to be performed in a given year. This gives requisite flexibility to the States to prioritize their activities.

OVERALL OBJECTIVES OF ATMA

- To identify location specific needs of farming community for farming system based agricultural development;
- To set up priorities for sustainable agricultural development with a Farming Systems Approach;
- To draw plans for production based system activities to be undertaken by farmers/ultimate

users;

- To execute plans through line departments, training institutions, NGOs, farmers organizations and allied institutions;
- To coordinate efforts being made by various line departments, NGOs, farmers organizations and allied institutions to strengthen research extension-farmers linkages in the district and to promote collaboration and coordination between various State funded technical departments;
- To facilitate the empowerment of farmers/producers through assistance for mobilization, organization into associations, cooperatives etc. for their increased participation in planning, marketing, technology dissemination and agroprocessing etc.
- To facilitate market interventions for value addition to farm produce;

ATMA has established a Farm information and advisory center (FIAC) at each block in the district. These are supported by two groups: -One is a group of technical officers of different functional area termed as Block Technology Team (BTT) whereas another is a Farmers advisory Committee (FAC) exclusively of farmers. While BTT develops the Block Action Plan (BAPs) in light of the SREP and responsible its implementation.

Commodity interest Groups (CIGs) are presented at block/ village level to make the technology generation/ dissemination farmer driven and farmer accountable. These village level CIGs are ultimately Federated at Block/District level FIAGs and G.B.

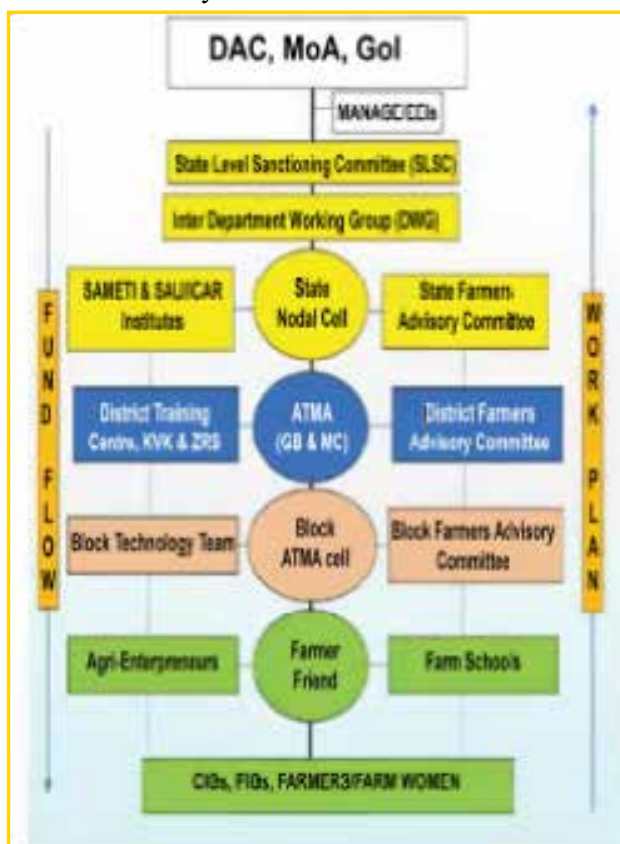

Farming System Approach

The activities specified in the Cafeteria are broad enough to ensure extension delivery consistent with farming system approach and extension needs emerging through strategic Research Extension Plans (SREPs).

Farming System

Experience gained under NATP (Farmer Participatory

Research) outline the need for several farming options. This will make the farm household self sufficient. Enterprise diversification will increase income, minimize risks and improve diet of farm families. ATMA Model has strengthened the Research-Extension farmers linkages. Success have been achieved & documented by ATMA functionaries in the states during the past 7-9 years. Some of the possible farming system options for the Seraikella-Kharsawan district besides agriculture & animal husbandry are:

Rice-Fish Farming

- Rich –Fish-Duck Farming.
- Rice-Fish-Pig Farming.
- Rice-Poultry Farming
- Rice-Mushroom
- Sericulture-Vegetable cultivation-Apiary.
- Vegetable –Floriculture-Apiary
- Field crops-Poultry-Fish Mushroom
- Fruit Crops –Vegetable-Apiary.
- Rice-Vegetables-Apiary.
- Maize-Pulse-Poultry /Cattle.

Training Needs Identified under ATMA Model

- Long term training plan to be drawn based on skill gap analysis

- Priorization of farmers problems through PRA at various levels.
- Group formation & group approach in extension.
- Entrepreneurship development for agri-clinics & agri business.
- Operationalisation of Farmer interest groups.
- Market-network for agricultural & horticultural produce.
- Mass Media for technology dissemination.
- WTO & its implications.
- Database creation for location specific action plan.
- Improved communication of techniques.
- Addressing gender concerns.
- Increased role of IT in agriculture.

Long Term Researchable issues

- Measures to increase cropping intensity under different land situations.
- Rainwater management strategies for drought alleviation.
- Farming system approach under rice based system.
- Participatory varietal selection for crop improvement.
- Integrated plant nutrient managements systems for rainfed uplands & lowlands.
- Developing sustainable Fruit/vegetable based cropping systems.
- Agro techniques for Fruits & vegetable preservation & processing.
- Watershed development involving active participation of farmers.
- Improved post harvest management of crops.
- Farm mechanization with special emphasis on small & marginal farmers.
- Rice based agro-forestry systems.
- Medicinal plants – conservation, management, processing techniques.
- Live stock production & nutrition.
- Research on piggery, Goatary, Sericulture and Lac culture using farmer participatory approach.

Multi-agency extension strategies

Minimum 10% of allocation on recurring activities at district level is to be used through non governmental sector viz. NGOs, Farming Organization (FOs), Panchayati Raj Institutions (PRI) extension workers, agripreneurs, input

suppliers, corporate sector etc. ATMA scheme also provides that maximum service charge of 10% of actual cost of implementation of extension activities approved by ATMA, GB may be provided to Agri-Clinics, NGOs, etc. (excluding the Corporate sector) wherever these activities are implemented through them.

Mainstreaming Gender Concern

Women farmers play a very significant role in farming operations. With a view to provide necessary extension support, minimum 30% of programmatic funds under ATMA scheme are to be utilized for the benefit of women farmers.

Sustainability of Extension Services

With a view to ensure sustainability of extension services, it is mandated that minimum 10% contribution should be realized from beneficiaries with respect to beneficiary oriented activities. National Institute of Agricultural Extension Management (MANAGE) has been assigned nodal role to provide needed HRD and hand holding support in implementation of ATMA scheme. At state level, a State Agricultural Management and Extension Training Institute (SAMETI) is being promoted either by strengthening one of the existing apex training institute in the state.

Capacity Building of Extension Functionaries

A one-year PG Diploma in Agriculture Extension Management for government extension functionaries of the district is being launched by MANAGE in Hyderabad through distance learning mode. SAMETI, Jharkhand identity as study centre for Jharkhand state.

Use of Mass Media

Community Radio Stations (CRS) could make a major contribution to agricultural extension to reach farmers by utilizing radio transmitter and disseminating information and knowledge, which is locally produced and relevant. A new initiative is being taken to support setting up of the CRS under the scheme

Monitoring and Evaluation of SEWPs

Project activities at district level are monitored by the ATMA Governing Board at periodic intervals. At state level, the project is monitored through an Inter Departmental Working Group (IDWG) functioning under Chairmanship of Secretary (Agriculture) of the state. The monitoring mechanism includes quarterly reports, field inspections, workshops, etc. Third party Monitoring and Evaluation is also to be organized as a state level activity. A simplified Electronic Monitoring System (EMS) has been developed and operationalized through NIC for monitoring of the scheme at all levels. The DAC will also organize concurrent Monitoring and Evaluation, including impact evaluation at periodical intervals.

ATMA, GUMLA - Towards Agriculture Reforms

12	Sri Ranjit Prasad, Tengaria, Palkot Farmer Representative Horti)	Member
13	Smt. Suniyaro Devi, Sisai (Farmer Representative, SHG)	Member
14	Deputy Project Director ATMA	Member

Constitution of BTT The Block Technology Team (BTT) is an interdepartmental team of Agriculture & Line departments operating at block level. The key functions of BTT would be Operationalize the SREP in each block and move towards single window extension system, Help district core team in up- gradation of SREP, Prepare Block Action Plan detailing extension activities to be undertaken Coordinate the implementation of extension programmes detailed in the Block Action Plan, Facilitate formation of FIGs/ FOs at the block level and below, Support ATMA Management Committee in discharging its function by providing inputs related to the Block, Facilitate planning and implementation of Farm Schools in all major sectors in the Block. The Block

Technology Team (BTT) shall meet every month to review the progress and report the same to ATMA Management Committee

In pursuance of Notification issued by State Nodal Officer (Extension Reforms - Jharkhand) & Director Agriculture, Govt. of Jharkhand and Deputy Commissioner cum Chairman, ATMA Gumla and D.D.C., Gumla the following members were notified for constitute BLOCK TECHNICAL TEAM (BTT) at all 12 blocks in Gumla District under “Support to the State Extension Programme for Extension Reforms.” Central Sector Scheme.

Constitution of FAC The Block Farmers Advisory Committee (BFAC) shall consist of 20-25 members covering different categories of farmers within the given Block, with due representation to women farmers and weaker sections of the society. The Key functions of Farmers Advisory Committees:

- Act as an agency for providing farmers’ feedback and inputs for preparation/ compilation of Action Plans and for prioritization of activities as follows: (i) BFAC to BTT, (ii) DFAC to ATMA GB and MC (through nominated representatives), (iii) SFAC to SAMETI for training related needs and SNC for finalization of SEWP (through nominated representatives)
- FACs shall meet as per the following periodicities: (i) BFAC: Once in a month during the season and quarterly in lean season, (ii) DFAC: Quarterly and preferably before ATMA MC, (iii) SFAC: Quarterly
- Help in formation and nurturing of Farmer Interest Groups at Block level and below.

In pursuance of Notification issued by State Nodal Officer (Extension Reforms - Jharkhand) & Director Agriculture, Govt. of Jharkhand vide and Deputy Commissioner cum Chairman, ATMA Gumla and D.D.C., Gumla, the following members were hereby notified for constitute FARMER ADVISORY COMMITTEE (FAC) at all 12 blocks in Gumla District under “Support to the State Extension Programme for Extension Reforms.” Central Sector Scheme Vide Notification letter no.

CONVERGENCE TO EXTENSION WORK BY ATMA GUMLA

Convergence of Manpower:

With the given man-power support, ATMA's will also look after the work related to RKVY, NFSM, National Project on Soil Health and Fertility Management etc. as mandated under respective schemes. There should be full convergence of extension related work being carried out under different programmes/ schemes. The field level extension workers under these different programmes/schemes should work in conjunction with the dedicated manpower being provided under this Scheme under the umbrella of BTT or ATMA, as the case may be. While these extension related workers & consultants under other schemes/programmes can continue

to act as experts in their respective fields, they should also double up as multifunctional extension workers in the jurisdiction to be assigned to them by the BTT/ ATMA. Budget for extension related components in

With the given man-power support, ATMAs will also look after the work related to RKVY, NFSM, National Project on Soil Health and Fertility Management etc. as mandated under respective schemes. There should be full convergence of extension related work being carried out under different programmes/ schemes. The field level extension workers under these different programmes/schemes should work in conjunction with the dedicated manpower being provided under this Scheme under the umbrella of BTT or ATMA, as the case may be. While these extension related workers & consultants under other schemes/programmes can continue to act as experts in their respective fields, they should also double up as multifunctional extension workers in the jurisdiction to be assigned to them by the BTT/ ATMA. Budget for extension related components in

different schemes and programmes of DAC shall be dovetailed at district level through ATMA. Once all the extension related workers start working in unison, they shall be fully responsible for achieving convergence & synergy in extension related work under RKVY, NFSM, National Project on achieving Soil Health & Fertility to achieve complementarily and check duplication of efforts and resources.

Convergence with Research System:

Extension Reforms provides for active involvement of Research System/ Research Agencies at different levels of implementation. State Agricultural Universities (SAUs) and Krishi Vigyan Kendras (KVKs) have to be fully involved not only in preparation of SREP and Extension Work Plans but also in implementation of various programmes in the field. They will be represented in all bodies, namely, ATMA GB and ATMA MC in districts, SLSC/ IDWGs at State level, BTT - BFAC Meetings at Block level and in the Policy Committee at the national level. In addition, each KVK scientist may be made in charge of one or more Blocks within the district. The KVK Scientist will technically advise the BTT and will also be actively involved in preparation of BAPs, especially with regard to research related issues/ gaps and strategies. He will also take feedback for his colleagues in the KVK in respect of their respective areas of expertise. Detailed Guidelines for achieving effective Research - Extension – Farmer Linkages.

Convergence with Development Departments:

Necessary convergence with all line departments is to be ensured through their involvement in the process of preparation of SREP and Work Plans at Block, District & State levels. Work Plans to be submitted to SLSC for funding under the Scheme should explicitly specify activities to be supported

from resources of other schemes and those proposed under ATMA Programme. Moreover, necessary convergence is to be ensured through integration of CDAPs and District Agriculture Action Plans (DAAPs) – all of which will form an integral part of State Agriculture Plan to be approved by State Level Sanctioning Committee (SLSC) under Rashtriya Krishi Vikas Yojana (RKVY). In addition, the Scheme also provides for active involvement of Panchayati Raj Institutions (PRIs) in the selection of beneficiaries for various farmer oriented activities, including selection of Farmer Friend.

Convergence with & Involvement of Non-Governmental Sector:

In order to ensure promotion of multi-agency extension strategies, and to implement scheme activities in Public-Private-Partnership (PPP) mode, a minimum 10% of scheme allocation on recurring activities at district level is to be incurred through Non-Governmental Sector viz. NGOs, FOs, PRIs, cooperatives, para-extension workers, agripreneurs, input suppliers, corporate sector etc. The non-governmental implementing agencies will be eligible for service charge with a ceiling of 10% of the cost of extension activities (but no staff cost) implemented through them. The Extension Work Plan involving non-governmental agencies may be prepared at the State level and approved by SLSC/ IDWG, without having to obtain recommendation of the BTT/ FAC and approval of ATMA, GB concerned. After SEWP has been approved by the SLSC, the State level functionaries shall facilitate necessary coordination between the non-governmental partner and ATMA institutions at the district level so that approved activities are implemented expeditiously. Funds to Non-Governmental Sector partner may also be released at the State level, at the discretion of the SLSC/ IDWG. Necessary funds for the purpose may also be retained at the State level.

H	Establishment at Village Level					
	Farmer Friend at Village Level (50:50)	0.120	381	322	45.720	37.650
	Grand Total				213.18536	171.31989

Note: As per expected liability on ATMA Rs.5.02672lakhs

G. FINANCIAL SUMMARY		Amount
G 1	Unspent opening balance as on 01.04.2019	23.7400
	Central Share	23.7400
	State Share	0.00000
G 2	Fund received from DAC	100.28990
G 3	Release of State's Matching Share	66.00327
G 4	Total Expenditure	171.31989
	Central Share	105.31662
	State Share	66.00327
G 5	Unspent Closing balance as on 31.3.2020	18.71328
	Central Share	18.71328
	State Share	0.00000

Notes from the meeting on 22.08.2019 for Agriculture and Allied sector demonstration under ATMA, Gumla
(Extension Reforms Scheme) with KVK, Gumla
As per discussion Star Technologies to be considered under

Allied Sector.		
S.No	Intervention	Name of the recommended Breeds
1	Duckery	Introducing improved breed Khakhi campbel, Indian Runner
2	Poultry	Introducing improved breed Gram Priya, Banraj, Divyayan Red, Kadak Nath
3	Fodder Production Kharif :- Rabi :-	Nutrifeed(Millet crop) Barseem, Dugd Dhan, Oat (Jai).
4	Fishery	Composite fish farming
5	Piggery	Introducing improved breed TND
6	Goatery	Introducing improved breed Beatle
Agriculture Sector		
Kharif Crops		
1	Rice	System of Rice Cultivation, weed mangement
2	Maize	Improved varities like Swan 1, Jaun puri, with fertilizer management (NPK 19:19:19), weed mangement
3	Groundnut	Micronutient Sulphur, management by dolomite or Zypsum
4	Urd	weed management by pendimithaline
5	Ragi	Varietal improvement
6	Biofertilizers	Promotion of use of biofertilizers such as PSB, Rizobium, Trichoderma
Rabi Crops		
1	Wheat	Zero tillage
2	Linseed	Improved variety with sulphur application
3	Masur	Promoting paira cropping
4	Rai/Toria	Improved variety pusa bahar with sulphur and insecticide management
Horticultural crops		
1	Banana	Drip irrigation + mulching
2	Papaya	Drip irrigation + mulching
3	Vegetable crop	Tomato+staking+mulching Brinjal+mulching Chilli+mulching Use of biopesticides
4	Kharif Onion	Use of improved varieties Agrifound, Dark Red, Nasik 53
5	Kharif Potato	Use of Potash application
6	Oal	Intoducing new cash crops in the area
7	Turmeric	Intoducing new cash crops in the area
8	Ginger	Intoducing new cash crops in the area
9	Marigold	Promotion of flowers
10	Broccoli	Promotion of Broccoli cultivation
11	Mushroom	Promotion of Mushroom cultivation
12	Sunflower	Promotion of Sunflower cultivation
For Drought Condition		
1	Kulthi crop	Promotion of Kulthi cultivation
2	Bajara	Promotion of Bajra cultivation
3	Jawar	Promotion of jawar cultivation
5	Lac	Promotion of Lac host crop semialata cultivation

B2. : ATMA Gumla Within District Training Programme Summary 2019-20 :-

S. No	Block	Date	Venue	Topic
1	Gumla	12.02.2020 to 14.02.2020	Kasitoli, Nawadih, Gumla	Organic Cultivation through Vermi Culture & Animal Husbandry
2	Palkot	27.01.2020 to 31.01.2020	ATIC, Palkot	Small/Marginal Farmers with Agri Allied Sector Income Growth
3	Bishunpur	19.02.2020 to 21.02.2020	ATIC, Bishunpur	Integrated Farming System
4	Bharno	17.02.2020 to 19.02.2020	ATIC, Bharno	Integrated Farming System including Agri, Horti, A.H. & Organic Agriculture
5	Jari	18.02.2020 to 20.02.2020	Block Meting Hall, Jari	Cultivation of Rabi crops & Rearing of animals with best practices
6	Kamdara	08.02.2020 to 11.02.2020	Panchayat Bhawan Turundu	Vegetable & Mushroom Production
7	Kamdara	08.02.2020 to 11.02.2020	ATIC, Kamdara	Vegetable & Mushroom Production
8	Dumri	04.02.2020 to 06.02.2020	ATIC, Dumri	Integrated Farming System with Micro irrigation.
9	Basia	11.02.2020 to 14.02.2020	ATIC, Basia	Doubling Income with Organic Vegetable Farming, Poultry, Goatry, Fishery & Mushroom Production.
10	Basia	17.02.2020 to 20.02.2020	ATIC, Basia	Fishery & Mushroom Production, INM-IPM, Lac production, Goatry, Floriculture, Value Addition.
11	Raidih	11.02.2020 to 13.02.2020	ATIC, Raidih	Doubling Farmers Income by Integrated Methods of Production.
12	Sisai	11.02.2020 to 13.02.2020	ATIC, Sisai	Integrated Farming System.
13	Ghaghara	17.02.2020 to 19.02.2020	Nawdiha Panchayat Bhawan	Organic Cultivation, Rural Agri Weather Service, Micro Irrigation.
14	Chainpur	17.02.2020 to 19.02.2020	Kaushal Bhawan, Chainpur	Modern Technology in Agri & allied sectors.

Topic : Organic Cultivation through Vermi Culture & Animal Husbandry**Venue : Kasitoli, Nawadih, Gumla, Block- Gumla****Date : 12.02.2020 to 14.02.2020**

Under Diploma In Agricultural Extension Services For Input Dealers (DAESI) Programme :

Agri-Input Dealers in the country are a prime source of farm information to the farming community, besides the supply of inputs and credit. However, majority of these dealers do not have formal agricultural education. In order to build their technical competency in agriculture and to facilitate them to serve the farmers better and to act as para – extension professionals, National Institute of Agricultural Extension Management (MANAGE) has launched a self-financed “One-year Diploma in Agricultural Extension Services for Input Dealers (DAESI) Program” during the year 2003 with a course fee of Rs.20, 000/- to the input dealers. Now the program is implemented by MANAGE through State Agricultural Management and Extension Training Institutes (SAMETIs). To transform practicing input dealers into para-extension professionals there by strengthening the agricultural extension system so as to enable these input dealers to serve the farmers better. The technical information is delivered through Contact Classes by Agriculture Experts & Practitioners at district level on Sundays or Market holidays for 48 Days including field visits spread over a year.

Objectives:

- Orientation of input dealers on location specific crop production technologies of broad-based agriculture with reference to field problems.
- Building the capacity of input dealers in efficient handling of Inputs.
- To impart knowledge about the laws governing regulation of agriculture Inputs.
- To make input dealers an effective source of farm information at village level(one stop shop) for the farmers.

Date of Inauguration : 04.05.2017

Name of the Facilitator : Mr. Mohit Singh, Dy. Project Director ATMA, Gumla
